

URGENT APPEAL FOR OFFICIALS FOR THE COUNTY CHAMPIONSHIPS

Saturday, 16 January 2016 19:50 -

Nine of the fourteen sessions at the County Championships are short of the minimum numbers of officials required to run a licensed level 2 meet. If the required numbers are not met, then the licence for the sessions affected will be at risk.

All the sessions below are short of officials, the minimum numbers needed for licence compliance is shown, but if other officials would offer to work then this would be welcomed

Session one: One more official is needed – more could be used

Session two: Two more officials are needed – more could be used

Session three: Two more officials are needed - more could be used

Session six: Three more officials are needed - more could be used

Session eight: Five more officials are needed - more could be used

Session eleven: Ten more officials are needed - more could be used

Session twelve: Twelve more officials are needed - more could be used

Session thirteen: Twelve, but ideally sixteen, more officials are needed - more could be used

Session fourteen: Ten more officials are needed - more could be used

At present, sessions eleven to fourteen are not viable because of the lack of officials

If you are a licensed official, qualified J1 or above, and are available to help, please contact secretary@hertsasa.org
